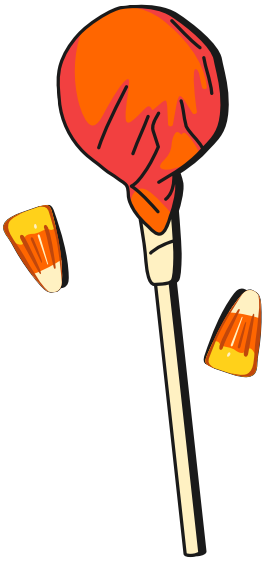
CANDY EXCHANGE

STORE

Trade your candy for fun & saintly goodies!

WELCOME TO THE

CANDY EXCHANGE STORE



Here's what to do:

1. Pick your favorite 8 pieces of candy from your treat bag (if you so choose) to enjoy over this octave of days. Don't forget to pray for the Holy Souls in Purgatory each time you take a treat!
2. Use the remainder of your candy to "purchase" fun items at the candy exchange store! Each gift costs a certain number of candy pieces. See the labels for their prices!
3. We will donate the candy "payments" and YOU get to keep the fun gifts you choose!

SOME TIPS

More expensive items obviously cost more candy! Some of these items I'll split between the candy exchange store and stocking stuffers!

If you make the candy exchange store a new Hallowtide tradition, keep an eye out for warehouse sales and deals throughout the year at these and other shops. I spent so little on our exchange store items this year because I'd just grab things at super cheap prices when I saw them, and I keep them in a bin in a closet for this occasion!

And...if you end up doing it, let me know how it goes!
